Take a Break in Doon (coffee and cookies)

**12:00 – 1:00 p.m. – Serving Grilled Burgers at Trinity
Christian High School**

Robot demonstration by Trinity BZ Bots Robotics Team

Bring your tractor to Trinity Christian High on Saturday morning, June 13 (June 20 rain date) and join us as we ride them to Doon, stop there for a break and refreshments, and then head back to Trinity through Rock Valley. We also have a route to Alvord for the faster tractors. Enjoy a time of fellowship and grilled burgers back at Trinity from about noon to 1:00. The robotics team will demonstrate the robot that brought them beyond the State Championship competition to the Northern Super-Regionals and talk about plans for next year. A free-will donation will be taken to help defray the robot building costs and competition fees. Everyone is welcome, even if you don't have a tractor.
