Trinity is looking to use a 3 wheeler or 4 wheeler again this summer beginning May 1 for the baseball and softball fields. If you have one you are willing to let Trinity use for the ball season, please contact Laura Kuiper. We use the four wheeler daily to prepare the fields for practice and games, so this is essential to the coaches to have available.

Trinity is still looking for a Boys Head Basketball coach. There are programs for the boys to take part in over the summer months and these need to be organized. Contact Laura Kuiper if you would be interested or if you have questions about the position.

We are also looking for a parent or adult to organize the JR High baseball program. The schedule is already made and we have coaches that have agreed to work with the boys, but need someone that is willing to be the contact person and head up the program. If you have questions or are interested you can contact Laura Kuiper or Jill Maassen
